WE REMAIN OPEN TO SUPPORT THE COMMUNITY

STANDING BY TO ASSIST – 972-235-8330

As your AHA Training Center and Partner in Certification, our top priority is the Health and Safety of our students, instructors, and training delivery partners. We are open and have taken precautions to protect students, instructors, and our staff through heightened sanitation, personal protection, and social distancing to support you during this uncertain time.

We understand that some employers may require that your certification remains up to date. In support, we are continuing to hold onsite classes at our location at 9221 Lyndon B. Johnson, Freeway, Suite 109, Dallas, Texas 75243. Standing by to assist or answer questions

To facilitate training and limit exposure, we are recommending that students take online classes needed and then call to sign up for the Skill Check. (see links below).
